We are excited to open our spacious Guesthouse for digital nomads and remote workers. We benefit from a high speed internet connection through fiber, equally powerful in bed rooms, common spaces and in the garden around the swimmingpool.

Omassim Guesthouse is located in a residential quiet area, 15 minutes walk from famous surfing Ribeira d'Ilhas Beach, 5 minute by foot to stunning nature reserve with breath taking views over the ocean and 10 minutes from authentic Ribamar village with Cafés, Bar, Supermarkets and some of the best Seafood Restaurants around here. Surrounded by green hills and in walking distance to several beaches, you will find lots of options to relax your busy mind after a long working day: Hiking, Surfing, Yoga, Boxing, SUP, getting a massage or just chilling in the hammock.
